

Xin, Zhang		
Age	28	
TEL	(+86) 17628605796	
Email	v.xin.zhang@gmail.com	
Github	https://github.com/MagicVin	
Interest	Computer resources Management/VPN Tech/Web Design	
EDUCATION		
Jiangxi Science and Technology Normal University		Sept.2014-July.2017
Computer Network Major		College degree
C/C++/JAVA/Network/HTML		
WORK EXPERIENCE		
Farben		Mar.2022-Dec.2022
Virtualization Backend Development Engineer(base in Sangfor)		
* Cloud OS patch development		
* Porting Kernel Feature(bpftrace)		
* Autotest Scripts development		
* x86/ARM server configuration&maintaining		
MinDao(Thundersoft subsidiary)		May.2019-Dec.2021
Cloud Gaming Performance Engineer(base in Intel)		
* Intel FPGA(SmartNIC) stress autotest and performance tuning		
* Intel GPU(SG1) hardware validation(motherboard adaptation/air cooling design)		
* Intel Cloud Gaming performance tuning(limiting density with SG1)		
* Script development(bash/ruby/python)		
- Android cloud gaming auto-running scription(auto upgrade/account verification)		
- QEMU&Docker management scription		
- Performance monitoring/analysing scription		
ThunderSoft		Sept.2018-May.2019
Hardware Validation Engineer(base in Intel)		
* Intel hardware platform validation		
* System integration		
* Virtualization Testing		
* Scription development(bash/python)		
Pactera		Mar.2017-Sept.2018
Linux System Engineer(base in Intel)		
* Intel AEP/BPS hardware validation		
* Linux system administration		
* Intel SSD validation		
* Linux Bash script development
